

# 2015 MICROLECTURE SCHEDULE

## OrthoAccel Technologies Booth 615

**AcceleDent®**  
2015 AAO ANNUAL SESSION

### SATURDAY, MAY 16, 2015

**Dr. S. Jay Bowman** | Kalamazoo, MI

11:20 - 11:45 AM

**A View from the Clinical Trenches: Research on the Effects of AcceleDent**  
Dr. Bowman will present his latest published clinical research on the effectiveness of pulsatile forces to accelerate treatment for advanced malocclusion patients.

**Dr. Sonia Palleck** | Woodstock, ON, Canada - Int'l Lecture

11:45 - 12:10 PM

**A New Horizon - Integrating Digital Orthodontics with Accelerated Treatment**  
Dr. Palleck will discuss how she integrates accelerated treatment as "Standard of Care" with 3-D digital treatment planning. Dr. Palleck has accelerated the orthodontic treatment of more than 250 patients with AcceleDent.

**Dr. Sam Daher** | Vancouver, BC, Canada - Int'l Lecture

12:10 - 12:35 PM

**Growing Your Practice with Accelerated Treatment**  
Dr. Daher will provide clinical and practical insight on how to successfully grow your practice with the adoption of accelerated orthodontic treatment.

**Dr. Kenji Ojima** | Tokyo, Japan - Int'l Lecture

12:35 - 1:00 PM

**Advanced Treatment Techniques with AcceleDent**  
Dr. Ojima has treated over 400 accelerated aligner cases with AcceleDent and will discuss how he combines his strategic treatment mechanics with aligner staging.

**Sarah Keller** | Houston, TX

1:00 - 1:25 PM

**Practice Integration Pearls - Increasing Your Case Acceptance with Accelerated Orthodontics**  
Ms. Keller will review key strategies to successfully enhance practice economics and efficiency with the adoption of accelerated orthodontics.

### SUNDAY, MAY 17, 2015

**Dr. Dawei Liu** | Milwaukee, WI

**Accelerating Orthodontic Tooth Movement with Pulsatile Forces**  
Dr. Liu will present a review of the latest science and clinical evidence supporting accelerated tooth movement.

**Dr. Sonia Palleck** | Woodstock, ON, Canada - Int'l Lecture

**A New Horizon - Integrating Digital Orthodontics with Accelerated Treatment**  
Dr. Palleck will discuss how she integrates accelerated treatment as "Standard of Care" with 3-D digital treatment planning. Dr. Palleck has accelerated the orthodontic treatment of more than 250 patients with AcceleDent.

**Dr. Nasib Balut** | Mexico City, Mexico - Int'l Lecture

**Effective Passive Self-Ligation Techniques with AcceleDent**  
Dr. Balut will review techniques for archwire sequencing and patient management when integrating self-ligation appliances with AcceleDent.

**Sarah Keller** | Houston, TX

**Practice Integration Pearls - Increasing Your Case Acceptance with Accelerated Orthodontics**  
Ms. Keller will review key strategies to successfully enhance practice economics and efficiency with the adoption of accelerated orthodontics.

**Dr. Kenji Ojima** | Tokyo, Japan - Int'l Lecture

**Advanced Treatment Techniques with AcceleDent**  
Dr. Ojima has treated over 400 accelerated aligner cases with AcceleDent and will discuss how he combines his strategic treatment mechanics with aligner staging.

### MONDAY, MAY 18, 2015

**Dr. Dawei Liu** | Milwaukee, WI

**Accelerating Orthodontic Tooth Movement with Pulsatile Forces**  
Dr. Liu will present a review of the latest science and clinical evidence supporting accelerated tooth movement.

**Dr. S. Jay Bowman** | Kalamazoo, MI

**A View from the Clinical Trenches: Research on the Effects of AcceleDent**
